Eli Schulman believed baking was an art. So when he created the very first Eli’s Cheesecake as the signature dessert for his award-winning restaurant, Eli’s the Place for Steak, a legend for 39 years, his customers proclaimed it “Chicago’s Finest.” With the same care and dedication demonstrated by Eli himself, The Eli’s Cheesecake Company, a family owned business, has been baking up delicious cheesecakes and desserts since 1980.

At Eli’s, we slow bake our cheesecakes in small batches, taking the time to allow our ingredients to develop to their optimum flavors...the key to achieving Eli’s unique taste and texture.

Eli’s prefers using regional ingredients from local farms and producers who share Eli’s commitment to quality. All our desserts are handmade and decorated at Eli’s Cheesecake World, our bakery located on Chicago’s northwest side.

**The Art of Cheesecake**

At Eli’s that means everything from coming up with the perfect recipe and selecting the finest ingredients to hand-decorating and staying up all night to bake our crisp all-butter cookie crusts.
